HAIRDRESSING

PRICING MENU

The true hair journey...

CONSULTATION

Your true transformation begins with a comprehensive consultation. We will discuss your hair care routine, lifestyle and desired look. At this stage, you will gain confidence in your stylist as they take you through the menu and plan your hair journey.

COLOURING

Our team of 5-star-rated colour experts will tailor your transformation to solve your particular problems. Every colour change is a technical challenge, and we love the challenge!

CUTTING

Our tried and tested techniques allow us to create any haircut. At your consultation, we will analyse your hair structure and guide you to find a flattering haircut for your face shape, that's achievable for you to maintain.

EXTENSIONS

Slimline Tape extensions are fantastic for adding volume, length and colour. Beauty Works provides the most exceptional quality 100% human hair, expert colour matching, safe application and natural-looking results.

EXPERIENCE

We are proud to have a long-standing team of stylists with years of experience. More advanced colouring and cutting requires specialist skills, as reflected in the tiers on our pricing menu. Trust in true to transform your look.
